DIVISION: \_\_\_\_\_

|                           | Description                                                                                                                                                                                                                                                                          | Occurrence     | Deduction                                     | Total |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|-----------------------------------------------|-------|
| General                   | <b>Individual Athlete Fall- Minor</b><br><small>Ex. Include but not limited to: hands touch, stumbling out of (2-3 steps) and/or over rotation to bottom.</small>                                                                                                                    |                | 0.25                                          |       |
|                           | <b>Individual Athlete Fall- Major</b><br><small>Ex. Include but not limited to: landing with hands/knees/head or chest near the ground, weight shifted into athletes shoulders. Weight bearing on hands or knees.</small>                                                            |                | 0.50                                          |       |
|                           | <b>Individual Athlete Fall- Severe</b><br><small>Ex. Include but not limited to: a fall on or close to the head or back that requires ample time to get up.</small>                                                                                                                  |                | 0.75                                          |       |
| Building                  | <b>Building Fall- Minor</b><br><small>Ex. Include but not limited to: Drop from individual stunts to load in, cradle, prone or flatback. It also would include the top becoming weight bearing on the spot, a base or spot landing on the ground.</small>                            |                | 1.5                                           |       |
|                           | <b>Building Fall- Major</b><br><small>Ex. Include but not limited to: Drop from individual stunt to a compromising position (top landing in a position not mentioned in Stunt/Pyramid Minor Fall or to the ground) or multiple bases or base and spot landing on the ground.</small> |                | 2.5                                           |       |
|                           | <b>Pyramid Fall</b><br><small>Examples would include 2 or more connected stunts falling. If multiple pyramids are built at the same time, each pyramid would be treated separately. If multiple tops fall in the same pyramid.</small>                                               |                | 3.5                                           |       |
| Prop Violation            | Throwing of signs and or the use of an illegal prop.                                                                                                                                                                                                                                 |                | 1.0                                           |       |
| Game Day Violation        | Performing a skill in Game Day that is not permitted                                                                                                                                                                                                                                 |                | 0.25                                          |       |
| Time Violation            | 3-5 Seconds Over                                                                                                                                                                                                                                                                     |                | 1.0                                           |       |
|                           | 6-8 Seconds Over                                                                                                                                                                                                                                                                     |                | 2.0                                           |       |
|                           | 9-10 Seconds Over                                                                                                                                                                                                                                                                    |                | 3.0                                           |       |
|                           | 10+ Seconds Over                                                                                                                                                                                                                                                                     |                | 5.0                                           |       |
| Uniform Violation         |                                                                                                                                                                                                                                                                                      |                | 5.0                                           |       |
| Unsportsmanlike Violation | This rule applies and is inclusive of all athletes and coaching staff.                                                                                                                                                                                                               |                | 5.0                                           |       |
| Safety Violation          | <b>Determined By Violation</b>                                                                                                                                                                                                                                                       | <b>Warning</b> | <b>Up to a 5.0 penalty based on violation</b> |       |
|                           |                                                                                                                                                                                                                                                                                      |                |                                               |       |
|                           |                                                                                                                                                                                                                                                                                      |                |                                               |       |
|                           |                                                                                                                                                                                                                                                                                      |                |                                               |       |
|                           |                                                                                                                                                                                                                                                                                      |                |                                               |       |
| <b>Rules Deduction</b>    |                                                                                                                                                                                                                                                                                      |                |                                               |       |
