

Grade School District & State Seeding Criteria

The following is an example of how wrestlers will be seeded at the District and State tournament. At Districts, criteria will apply to All Wrestlers. At State, criteria will apply to the District Champions only. Classes: There are 7 classes of seed candidates.

Seed Changes will not be made within 72 hours of state weigh-ins.

Computer points to break tie; if tie with computer points the computer randomly selects.

Class 1: Wrestlers that have finished 1-4 at the OAC State tournament the previous season in the same age division entered this year.

Class 2: Wrestlers that have finished 5-8 at the OAC State tournament the previous season in the same age division entered this year.

Class 3: Wrestlers that have finished 1-4 at the OAC state tournament the previous season in a younger age division entered this year.

Class 4: Wrestlers that have finished 5-8 at the OAC state tournament the previous season in a younger age division entered this year.

Class 5: Wrestlers that have finished 1-6 at the OAC district tournament the previous season in the same age division entered this year

Class 6: Wrestlers not in Classes 1-5 but have computer points

Class 7: Wrestlers without previous year district/state placement and without sectional points. They will not be seeded at districts and listed as NS= Not Seeded.

*-All candidates in Class 1 will be seeded higher than those in Class 2 through 7, etc.-
Wrestlers within a Class shall be seeded on their current computer points.*
