USA Wrestling sincerely thanks you for your donation to the Keep Olympic Wrestling Fund. Your support is greatly appreciated and significantly helps USA Wrestling serve its mission and take a leadership role in the effort to educate the world about the popularity and values of our great sport.

Your support will help fund all of the actions which together makes for a successful campaign. It will be used directly on projects such as public relations, international communication, research, education, promotional materials, networking and international travel for meetings with the IOC and members of national federations and national Olympic Committees. Additional projects will be developed by the leadership committee for this effort. Your help will keep this issue in the forefront and allow wrestling to make its case to the world. It will only be used for this project, not other wrestling programs.

USA Wrestling received your gift. According to IRS regulations, USA Wrestling must inform you of the amount of value for any gifts you may receive regarding your donation. In this case, the your entire gift amount is tax deductible.

USA Wrestling is a not-for-profit corporation under section 501 (c) (3) of the Internal Revenue Code. Our federal identification number is 36-2667348.
