OAC, (Jude and Jared)

The Ohio Grapplers would like to offer a sincere thank you to the OAC for your very generous donation. You have a long history of supporting wrestling in the state and your JH and GS state tournaments have served as a wonderful way to showcase the young wrestlers in the state.

We are very excited to host the Novice State Wrestling tournament on February 26<sup>th</sup> we feel that this tournament serves many of the same purposes and goals that your events have and that is to give wrestlers an opportunity to compete in a well run tournament against the best wrestlers in the state. It is obvious by your actions that you are a true believer in this cause as well.

Your donation will go towards funding the missions of the Ohio Grapplers and the Novice State tournament.

We look forward to having a great relationship with the OAC and would be happy to work with the OAC in future endeavors that promote wrestling in our great state.

Sincerely,

Michael Mattin
