The OAC Divisional State Championships:

- There are 3 school divisions. If their high school is in division 1 then they are entered in the AAA Division tournament if; their high school is division 2 then they are entered in the AA Division tournament and if their high school is in division 3, they are entered the A Division tournament. Once you complete your OAC account, you will be placed into one of these divisions. Log on to register.ohioathletics.com and confirm your account.
- All 3 will be separate state championships. This will give everyone a glimpse of the future high school State Championships.
- All 3 tournaments are 1-day events that will all take place at Marysville H.S. There will be 3 age divisions.
  - Div. 3 (grades 4 and under)
  - Div. 4 (Grades 6 and under)
  - Jr. High (7<sup>th</sup> & 8<sup>th</sup> Graders)
- Must be registered for a District or Novice State
- Registration \$35
- Wrestlers do not need to compete at the same weight they are competing for the “Single” Division District tournament
- To be eligible for the Divisional State event, wrestlers must Register & Compete in 1 of the current District events or the Novice State event. The Divisional State gives kids the same opportunity as the kids in high school in that they compete vs other kids within the division they will be wrestling when they move on to high school.
- There are no qualifiers for these tournaments so; the number of entries accepted to each weight in each division is very limited. Weight classes will be capped since its a 1-day tournament.
