Evacuation – If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

### **Thirty-Minute Rule**

Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes. Any subsequent lightning or any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.

### **Ohio's Return-to-Play and Lindsay Laws**

The State of Ohio has enacted legislation designed to protect student athletes. These laws require parents of student-athletes to view short training videos, which can be found on the Ohio Department of Health website ([odh.ohio.gov](http://odh.ohio.gov)). The OAC believes strongly in the safety of all of its participants. Parents of our participants must complete these trainings prior to entering their child into any OAC event.
